Refurbished Computer Monitors for sale | eBay

Windows 7 Forums is the largest help and support community, providing friendly help and advice for Microsoft Windows 7 Computers such as Dell, HP, Acer, Asus or a custom build.

dual monitor text is different sizes between screens ...

The issue has been resolved by concluding that my Dell Computer Optiplex 745C is too old (several years) and therefore there is not available a GPU driver that is available for Windows 10. The solution offered by a more computer literate friend, was to revert back to Windows 7. I have done that and ...

Windows 10 doesn't detect my second monitor Solved ...

My computer monitor cuts off about an inch of screen on the right side and the control panel choices on my Dell computer do not help me. When the right side is being cut off, I can't see the beginning letters of emails.

My computer monitor cuts off about an inch of screen on ...

The mouse requires multiple clicks many times to work. I have tried your suggestion listed in your guide but - Answered by a verified Tech Support Specialist
