Ada Lovelace Day (ALD) is an international celebration of the achievements of women in science, technology, engineering and maths (STEM). It aims to increase the profile of women in STEM and, in doing so, create new role models who will encourage more girls into STEM careers and support women already working in STEM.

Ada Lovelace Day - Celebrating the achievements of women ...

Evidence-based dentistry (EBD) integrates the dentist's clinical expertise, the patient's needs and preferences, and the most current, clinically relevant evidence. All three are part of the decision-making process for patient care.
