

Boredom The Literary History Of A State Of Mind

Boredom The Literary History Of

Chronic boredom, as Healy, Kuhn, Klapp, George Steiner and now Spack's tells us, is one of the great maladies of the twentieth century. At its worst it is one of the most crippling 'maladies of the subject' and clearly, as Spacks seems to suggest, it is often generated by oppressive (subtly or otherwise) social structures.

Amazon.com: Boredom: The Literary History of a State of ...

Moving from Samuel Johnson to Donald Barthelme, from Jane Austen to Anita Brookner, Spacks shows us at last how we arrived in a postmodern world where boredom is the all-encompassing name we give our discontent. Her book, anything but boring, gives us new insight into the cultural usefulness—and deep interest—of boredom as a state of mind.

Boredom: the literary history of a state of mind: amazon ...

Boredom: The Literary History of a State of Mind, by Patricia Meyer Spacks (University of Chicago Press, \$16.95). Boredom, notes this sprightly tome, originated in 18th Century England. A growing middle class became aware of what Nietzsche would later call "the disagreeable windless calm of the soul."

Boredom: The Literary History of a State... - Chicago Tribune

Boredom: The Literary History of a State of Mind, by Patricia Meyer Spacks, University of Chicago Press, 1995. Review by: Douglas H. Ingram, M.D. For each of us, the words we use unify images, associations, personal experiences, and values. Words are cultural artifacts that preexist our personal usages, establishing categories of interpretation.

PEP Web - Boredom: The Literary History of a State of Mind ...

Boredom's Origins "Boredom" first became a word in 1852, with the publication of Charles Dickens' convoluted (and sometimes boring) serial, Bleak House ; as an emotional state, it obviously dates back a lot further.

The History of Boredom | Science | Smithsonian

In Experience Without Qualities: Boredom and Modernity, Elizabeth Goodstein traces the modern discourse on boredom through literary, philosophical, and sociological texts to find that as "a discursively articulated phenomenon...boredom is at once objective and subjective, emotion and intellectualization—not just a response to the modern world but also a historically constituted strategy for coping with its discontents."
