Closer to the Truth is the twenty-fifth studio album by American singer and actress Cher. It was released on September 20, 2013 by Warner Bros. Records. Opting to re-establish her music career, she began planning the project in 2011, shortly after her appearance in the movie *Burlesque* and the conclusion of her residency show at Caesars Palace. Work continued into 2012 and 2013.

1 Computing with Language: Texts and Words. We're all very familiar with text, since we read and write it every day. Here we will treat text as raw data for the programs we write, programs that manipulate and analyze it in a variety of interesting ways. But before we can do this, we have to get started with the Python interpreter.
