

## *Deaf Students In Further Education Education Guidelines Project*

### **Deaf Students In Further Education**

The history of deaf education in the United States began in the early 1800s when the Cobbs School of Virginia, an oral school, was established by William Bolling and John Braidwood, and the Connecticut Asylum for the Deaf and Dumb, a manual school, was established by Thomas Hopkins Gallaudet and Laurent Clerc. When the Cobbs School closed in 1816, the manual method, which used American Sign ...

The Second International Congress on Education of the Deaf was (despite the name) the first international conference of deaf educators held in Milan, Italy in 1880. It is commonly known as "the Milan Conference". After deliberations from September 6 to 11, 1880, the conference declared that oral education (oralism) was superior to manual education and passed a resolution banning the use of sign ...
