Although the videos are for their University's Online Programs, the lessons and tips hold true for our LBCC Online Learning Program.

Distance Learning - Long Beach City College

Distance education or long-distance learning is the education of students who may not always be physically present at a school. Traditionally, this usually involved correspondence courses wherein the student corresponded with the school via post. Today it involves online education. Courses that are conducted (51 percent or more) are either hybrid, blended or 100% distance learning.

Distance education - Wikipedia
