November is finally here, which means store shelves will soon be lined with new books from some of the biggest authors in the thriller genre. Jack Ryan, Jack Reacher, and James Bond are all back, along with the return of an old favorite—Sunny Randall, Robert B. Parker's Boston-based private investigator, who lives on in an all-new novel from Mike Lupica.

The legal thriller is a subgenre of thriller and crime fiction in which the major characters are lawyers and their employees. The system of justice itself is always a major part of these works, at times almost functioning as one of the characters. In this way, the legal system provides the framework for the legal thriller much as the system of modern police work does for the police procedural.

From suspenseful dramas, psychological mind-benders, and gritty mysteries, here are the best thrillers to stream on Netflix.

### **30 Best Thrillers on Netflix April 2019 - Top Suspense ...**

Noir fiction (or roman noir) is a literary genre closely related to hardboiled genre, with a distinction that the protagonist is not a detective, but instead either a victim, a suspect, or a perpetrator. Other common characteristics include a self-destructive protagonist. A typical protagonist of noir fiction is dealing with the legal, political or other system, which is no less corrupt than ...
