Members of the nuthatch family live in most of North America and Europe and throughout Asia down to the Wallace Line. Nuthatches are sparsely represented in Africa; one species lives in a small area of northeastern Algeria and a population of the Eurasian nuthatch subspecies, *S. e. hispaniensis*, lives in the mountains of Morocco. Most species are resident year-round.

The term French Riviera is typical of English use. It was built by analogy with the term Italian Riviera, which extends east of the French Riviera (from Ventimiglia to La Spezia). As early as the 19th century, the British referred to the region as the Riviera or the French Riviera, usually referring to the eastern part of the coast, between Monaco and the Italian border.

French Riviera - Wikipedia

Since the call is addressed first of all to organisations operating in several Member States, DG Communication would, however, appreciate it if grant applications (which must be made out on the 2006 form devised for the purpose) are accompanied by a version in one of the European Commission's working languages (French, English or German).

The Man Charles Perrault (1628-1703) was a member of the Académie Française and a leading intellectual of his time. Ironically, his dialogue *Parallèles des anciens et des modernes* (Parallels between the Ancients and the Moderns), 1688-1697, which compared the authors of antiquity unfavorably to modern writers, served as a forerunner for the Age of Enlightenment in Europe, an era that was ...
