### **Hermit Crabs book by Sue Fox | 1 available editions | Half ...**

This is definitely the top book I would recommend for any hermit crab owner. It presents the most up-to-date information, both on pet care and on land hermit crab behavior in the wild. It makes a pleasant read, well written and with wonderful photographs. Another good feature is a list of references and companies specializing in hermit crabs.

After the Hermit Crab Habitat designs were complete, I use a chime to single the end of this lesson piece. I ask the students to put their Reflection papers away in their bags and return back to their carpet squares. To act as a whole class recap, we gather again to refer to the original idea, 'What is the right place for a Hermit Crab to live?'
