Carnatic music - karnATik South Indian classical music ...

Classical music is art music produced or rooted in the traditions of Western culture, including both liturgical (religious) and secular music. While a more precise term is also used to refer to the period from 1750 to 1820 (the Classical period), this article is about the broad span of time from before the 6th century AD to the present day, which includes the Classical period and various other ...

Classical music - Wikipedia

Early forms of present-day Hindustani developed from the Middle Indo-Aryan apabhramśa vernaculars of present-day North India in the 7th–13th centuries. Amir Khusrow, who lived in the thirteenth century during the Delhi Sultanate period in North India, used these forms (which was the lingua franca of the period) in his writings and referred to it as Hindavi (Persian: هندوی ...

Rain City Music - sitar - sitars

My acquaintance with Mansur's music was through his commercial records. That was in the early '40s, when I was a college student. I still cherish the nostalgic memories of those three-minute discs of Goud-Malhar, Adana, Todi and Yamani Bilaval for their racing, sprightly musical lines, intricate rhythms and complex, odd-shaped taans.
