Human Rights In Ancient Rome

Ancient and pre-modern eras. Some notions of righteousness present in ancient law and religion are sometimes retrospectively included under the term "human rights". While Enlightenment philosophers suggest a secular social contract between the rulers and the ruled, ancient traditions derived similar conclusions from notions of divine law, and, in Hellenistic philosophy, natural law.

History of human rights - Wikipedia

Ancient peoples did not have the same modern-day conception of universal human rights. The true forerunner of human-rights discourse was the concept of natural rights which appeared as part of the medieval natural law tradition that became prominent during the European Enlightenment. From this foundation, the modern human rights arguments emerged over the latter half of the 20th century.
