Madrid Cities Of The Imagination

Heard of Toledo and Segovia? They're both near Madrid. The satellite cities around Madrid are some of Spain's most interesting and diverse. Barcelona also has some good day trips, including Figueres (for the Dali museum) and Sitges (for the beach), but Madrid's day trips are unbeatable. When it comes to exploring the rest of Spain, Madrid's central location makes it far superior to the north ...

Spanish Enlightenment literature is the literature of Spain written during the Age of Enlightenment.. During the 18th century a new spirit was born (it is in essence a continuation of the Renaissance) which swept away the older values of the Baroque and which receives the name of "Enlightenment". This movement laid its foundations in a critical spirit, in the predominance of reason and ...
