Inferences Worksheets - Three excellent worksheets to allow students the practice they need to make inferences. In each worksheet students read the passages and then answer the inferential questions. Suggested reading level are grades 4 to 8.

Making Inferences Worksheets - The Teachers' Cafe

Making inferences is a skill with which students often need much practice. If you've looked for resources in the same places that I have, you probably haven't been too happy with what you found. I believe that the inference worksheets that I've created are of a higher quality than the other available resources and, as usual, I'm giving them away for free.

, You are at a sporting event and during half time there was a contest to see if someone could make a shot from half-court. You get back to your seat after a trip to the bathroom and there is a guy running around all over the court and the crowd is screaming., You have been hitting a little white ball around. One time you found it in the sand, the next time in the high grass.

Drawing Conclusions and Making Inferences Jeopardy Template

While the nonfiction and fiction worksheets above offer varied questions, these worksheets focus only on finding the main idea. Here, you'll find a worksheet of separate paragraphs followed by

either multiple choice questions where students will have to get rid of distractors to find the correct main idea (getting rid of choices too narrow, too broad, partially correct, etc.), or open-ended ...
