The North Wind and the Sun is one of Aesop's Fables (Perry Index 46). It is type 298 (Wind and Sun) in the Aarne-Thompson folktale classification. The moral it teaches about the superiority of persuasion over force has made the story widely known. It has also become a chosen text for phonetic transcriptions.

### **The North Wind and the Sun - Wikipedia**

The North Wind boasted of great strength. The Sun argued that there was great power in gentleness. "We shall have a contest," said the Sun. Far below, a man traveled a winding road.

For over 25 years, Sun-North has been manufacturing the complete line of comfort control curtain systems. These all-weather fabric curtains can become a moveable sidewall for dairy barns with 50 to 5000 cows. Since all curtains and hardware are made in house, we can offer faster delivery, greater versatility in design and a guarantee of higher quality since it is Canadian fabric and Canadian made.
