@anna - thanks for your kind words. As you can imagine, it's nearly impossible to accurately troubleshoot over the internet, but I think what you are saying is that a) you are more tired than usual, b) you feel overtrained [not sure what is telling you that], and c) you are falling into binge eating.

This was my plan. This last three years was essentially me "going to France" and when I returned I was going to be ripped like buggery, Salomon flasks bursting under the pressure of my substantial pecs, quads that would fell any trees that had the temerity to intervene on my path and a six-pack so rippled it would grate my emergency poncho into ribbons.
