A Computer Science portal for geeks. It contains well-written, well-thought and well-explained computer science and programming articles, quizzes and practice/competitive programming/company interview questions.

### **Experienced Interview Experiences Company-Wise**

When it comes to interviewing, having a good list of questions to share with your team can be invaluable. It helps everyone prepare a little easier; plus being aware of what other people are asking is a great way to ensure that you cover a diverse set of areas (giving you a better view into an imperfect process, and the candidate a better chance to get things right).
