Step by Step Behavioral Health Services

What is a target State? The NPF and our coalition partners take a thoughtful approach each year to determine target states. These are states that the NPF has an active engagement and leadership role regarding step therapy legislation, and are states that contain some or all of our supported legislation model language.

Step Therapy Legislation By State | Overview | Step Therapy

We will need to have the proper attitude as we approach this step. First, it is good to have forgiven both ourselves and the people we injured, regardless of anything they might have done to retaliate.
