THE ART OF BRIAN BOLLAND 8000 SUBS CELEBRATION!!

The Art of Brian Bolland. This is not so much a comic as it is a Brian Bolland centric art book, that features a cross-section of his work throughout his career. Written in a first-person perspective by Bolland himself, this book details his career from his early days up until the 21st century. This makes the art book personal and shines because of it.

Artist of the Week #3: Brian Bolland « How To Love Comics

Shelves: art-books Brian Bolland is a stellar illustrator of comic book covers and I love his work so I was thrilled when a collection of it came out. This book is really nicely done, if a bit rough. Certainly it's leaps and bounds above the crappy "art" books Wizard was putting out for a while.

The Art of Brian Bolland by Brian Bolland - Goodreads

The Art of Brian Bolland After graduating from London's Central School of Art in 1974, Lincolnshire born artist Brian Bolland quickly gravitated towards the comics industry. A firm fan from an early age Bolland grew up on a steady diet of DC stories, with Green Lantern and The Flash being favourites.

The Art of Brian Bolland | 'TAIN'T THE MEAT... IT'S THE ...

Book Review: The Art of Brian Bolland The biography and all the text in the book are written in first person by Brian Bolland. It feels very comprehensive and personal. Brian Bolland collected a vast amount of work he has created over the years, right from when he was a kid to the 21st century.

Book Review: The Art of Brian Bolland | Parka Blogs

Description : Often referred to as the "artist's artist," Brian Bolland has spent the last quarter century producing some of the most memorable and inspiring illustrations the comic industry has ever seen. This handsome volume is a retrospective of this astonishing artist's career and a look at the man himself.
