About RE:SOUND . The histories of art are saturated by sonic experiments and expressions (Kahn, Weibel). Yet, the occurrence of sound in art throughout the 18th, 19th and 20th century remains heavily under-theorized and -contextualized, just as it is all but missing in existing archives (with few important, albeit resent, exceptions).

## **Media Art History » RE:SOUND 2019**

Social media sites are developed as a tool to communicate with others by sharing personal information, photos, videos, comments and more. Community sites with user-generated content should be used responsibly.

## **Social Media Responsibility - #JustAdulging**

YouTube Channel Art Template. YouTube's channel art has gone through many changes over the years. The current recommended size by YouTube is 2560px x 1440px, and no larger than 2mb. Even though the recommended size for your photo is rather large, you will not be able to see most of the image unless you are viewing the channel art from a television screen (like through the YouTube app for Xbox).
