Military Coup In Chile In 1970 Salvador Allende, the leader of the Chilean Socialist Party, was elected president. He therefore became the first Marxist in the world to gain power in a free democratic election. The new government faced serious economic problems.

Military Coup In Chile - Spartacus Educational

The violent overthrow of the democratically-elected Popular Unity government of Salvador Allende changed the course of the country that Chilean poet Pablo Neruda described as "a long petal of sea, wine and snow"; because of CIA covert intervention in Chile, and the repressive character of General Pinochet's rule, the coup became the most notorious military takeover in the annals of Latin American history.

Chile and the United States: Declassified Documents ...

Chile is a unitary State with a democratic government. The government and administration of the State are the responsibility of the President of the Republic. i Chile's territory is divided politically and administratively first into regions (13), then provinces (51), and then again into
