The Construction Of Preference

The Construction of Preference [Sarah Lichtenstein] on Amazon.com. *FREE* shipping on qualifying offers. One of the main themes that has emerged from behavioral decision research during the past three decades is the view that people's preferences are often constructed in the process of elicitation.

The Construction of Preference: Sarah Lichtenstein ...

The Construction of Preference. One of the main themes that has emerged from behavioral decision research during the past 2 decades is the view that people's preferences are often constructed in the process of elicitation. This concept is derived in part from studies demonstrating that normatively equivalent methods of elicitation often give rise...

The Construction of Preference | Request PDF

This book shows not only the historical roots of preference construction but also the blossoming of the concept within psychology, law, marketing, philosophy, environmental policy, and economics. Decision making is now understood to be a highly contingent form of information processing, sensitive to task complexity, time pressure, response mode,...
