What Is The Epic Of

Founded in a basement in 1979, Epic develops software to help people get well, help people stay well, and help future generations be healthier.

Epic

EPIC Calls for Suspension of White House Data Collection on Social Media Use. EPIC has sent a letter to President Trump, urging the White House to suspend the collection of personal data concerning the use of social media. The White House is seeking to collect detailed personal information including unique social profile names and citizenship status.

EPIC - Electronic Privacy Information Center

"It's amazing to realize the impact we have on the health of patients, the nation, and the world! Basically everyone I know is cared for by the software I work on every day."
