Preface to the Home Education Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English and ...

The work of correcting EEBO-TCP texts is formidable. MoEML 's work with EEBO-TCP's XML files shows that transcribers need to supply gaps, capture forme work, correct mis-transcriptions, and restore early modern typographical habits and idiosyncracies. Only with many partners working in coordination will we be able to establish an accurate corpus suitable for text mining, copy-text

editing ...
